HAWAII Section A.L.S. 249 (1994)

I have noted the warning sign posted at the ride sign-in location and acknowledge the following:

Pursuant to Hawaii Statute, Section A.L.S. 249 (1994), I have been advised of the inherent risks of equine activities. I agree to waive all liability of NATRC, its officers, directors, volunteers and members (i.e. "the Released Parties") for any loss, injury, damage or death which arises from the "inherent risks" of an equine activity, including those instances which involve the alleged negligence of the "Released Parties".

"Inherent risks of an equine activity" mean a danger or condition that is an integral part of an equine activity, including, but not limited to, any of the following:

- (a) Propensity of an equine to behave in ways that may result in injury, death, or loss to persons on or around the equine;
- (b) The unpredictability of an equine's reaction to sounds, sudden movement, unfamiliar objects, person, or other animals;
- (c) Hazards, including, but not limited to, surface or subsurface conditions;
- (d) A collision with another equine, another animal, a person, or an object;
- (e) The potential of an equine activity participant to act in a negligent manner that may contribute to injury, death, or loss to the person of the participant or to other persons, including but not limited to, failing to maintain control over an equine or failing to act within the ability of the participant.
