I have noted the warning sign posted at the ride sign-in location and acknowledge the following:

In addition to the foregoing liability waiver, I have been given “notice of the risks inherent in equine activities, including (i) the propensity of an equine to behave in dangerous ways which may result in injury to the participant; (ii) the inability to predict an equine’s reaction to sound, movements, objects, persons, or animals; and (iii) hazards of surface of subsurface conditions.”

- (a) Propensity of an equine to behave in ways that may result in injury, death, or loss to persons on or around the equine;
- (b) The unpredictability of an equine’s reaction to sounds, sudden movement, unfamiliar objects, person, or other animals;
- (c) Hazards, including, but not limited to, surface or subsurface conditions;
- (d) A collision with another equine, another animal, a person, or an object;
- (a) The potential of an equine activity participant to act in a negligent manner that may contribute to injury, death, or loss to the person of the participant or to other persons, including but not limited to, failing to maintain control over an equine or failing to act within the ability of the participant.
